TERMS AND CONDITIONS

You agree to defend, indemnify, and hold harmless RTA and its affiliates and its and their respective directors, officers, employees, agents, partners or its source data providers from and against any and all claims, actions, demands, damages, costs, liabilities, losses, and expenses (including reasonable attorneys fees) arising out of your use of the Vehicle History Reports.

Systematic retrieval of Vehicle History Reports to create or compile, directly or indirectly, in whole or in part, a collection, compilation, database or directory is strictly prohibited.

This vehicle history report is compiled from multiple data sources. It is not always possible for RTA or its source data providers to obtain complete information on any one vehicle. For example, there may be other registrations, declarations, accident information, service records, recall information, odometer readings or other information where discrepancies that apply to this vehicle are not reflected in this report. RTA and its source data providers receive data and information from multiple sources believed to be reliable, but no responsibility is assumed by RTA, its source data providers or its agents for any errors, inaccuracies or omissions. The reports are provided strictly on an as-is where-is basis, and RTA and its source data providers further expressly disclaim all warranties, express or implied, including any warranties of timeliness, accuracy, merchantability, merchantable quality or fitness for a particular purpose regarding this report or its contents. Neither RTA nor any of its source data providers shall be liable for any losses, expenses or damages in connection with any report or any information contained within a report, including the accuracy thereof or any delay or failure to provide a report or any information.

By obtaining, reviewing and/or using this vehicle history report, you agree to be bound by all of the terms and conditions in RTA's Terms and Conditions as may be amended from time to time by RTA with or without notice.

You acknowledge that you may only use Vehicle History Report for your personal use. Commercial use, resale or redistribution of Vehicle History Reports is strictly prohibited.

This Vehicle History Report is based on information supplied to RTA from multiple data sources. The information included in report is the responsibility of report requester. RTA, its employees, its source data providers and its partners have no liability towards report requester or towards third parties and must not be liable for any claim from third parties.

You are committed to get vehicle owner approval prior getting Vehicle History Report.

Other information about this vehicle, including problems, may not have been reported to RTA. This report may not contain all vehicle information. RTA recommends you obtain a vehicle inspection from a Testing Center, your authorized dealer or an independent mechanic along with a test drive, to make a better decision.

No responsibility is assumed by RTA, its employees, its data source providers or its partners for this information.

LEGEND AND NOTES

Vehicle is granted First Owner star in case it is registered in Dubai for first time and its current owner is the first one in all of its ownership history. Vehicle is not granted First Owner star in case it has more than one owner in its history. There are cases where First Owner star cannot be affirmed, for example, vehicle is not registered. In which cases, the widget will be displayed as dimmed.

Vehicle is granted No Failure star in case it has passed in all inspection transactions history in Testing Centers in Dubai. Vehicle is not granted No Failure star in case it has not passed in one or more inspection transaction in Testing Centers in Dubai. There are cases where No Failure star cannot be affirmed, for example, vehicle has no inspection history in Dubai. In which cases, the widget will be displayed as dimmed.

Vehicle is granted Personal Vehicle star in case it has only individual owner type in all of its ownership history in Dubai. Vehicle is not granted Personal Vehicle star in case it has a commercial owner type in its ownership history in Dubai. There are cases where Personal Vehicle star cannot be affirmed, for example, vehicle has no ownership history in Dubai. In which cases, the widget will be displayed as dimmed.

Vehicle is granted Vehicle Source star in case it is registered as new vehicle in Dubai. Vehicle is not granted Vehicle Source star in case it is not new vehicle. There are cases where Vehicle Source star cannot be affirmed, for example, vehicle is not registered. In which cases, the widget will be displayed as dimmed.

Assuming that odometer's yearly normal average for any vehicle is 22000 kilometers per year; Vehicle is granted Odometer Rate star, in case its odometer yearly rate is less than or equal yearly normal average rate based on all of its registered history in Dubai. Odometer Rate is calculated based on vehicle age and latest accumulated odometer reading registered in Dubai for this vehicle. Vehicle is not granted Odometer Rate star in case its rate is above odometer's yearly normal average. There are cases where Odometer Rate star cannot be affirmed. In which cases, the widget will be displayed as dimmed. Sample of those cases are there is no odometer reading for vehicle or the reading is too old.
